

GLOBAL EXPERIENCE

# SEGA®

## PRODUCT CATALOG

**TRUSTED PERFORMANCE  
PROVEN RESULTS**

## SELECTED

*Our Customers are the focus of everything we do.*

*Our top priority is to create value for our customers; to respond promptly to their necessity with quality. It is our mission to take responsibility for our products for the long term.*

## EXCLUSIVE

*To be “the best” is our eventual aim.*

*To be the best in quality, service, supplier, and dealer relationships; to offer the best service opportunity for our customers; and to sustain this reputation are our primary aim. To achieve these aims we are committed to managing our businesses to be the leader in the market.*

## GENIUS

*“Make it possible”*

*With each product line introduced to market an innovate on various groups. Whether it's a new product design, a rare/unique or a new level of quality in printing on various materials we always push ourselves to do better products.*

*We think that only innovation and high quality of manufactured goods can result in a long lasting relationship with our clients who trust our approach to constant product portfolio development.*

## ADVANCED PRODUCTS

*“Knowledge is power”*

*SEGA is the biggest and strongest brand in its industries. It has become synonymous with lubricants & additives , car care products, and adhesives & sealants to millions all over the world and ranked amongst the most-trusted brand in the countries. Also SEGA has successful and given special services into some of products' trading. With innovation and improvement activities, SEGA has entered new products into its sectors.*

## "Your Car Deserves the Best Care"

Car care products are essential for maintaining the appearance, performance, and longevity of your vehicle.

### 1. Protecting the Vehicle's Exterior

**Paint Protection:** Products like waxes, sealants, and ceramic coatings help protect the paint from environmental factors such as UV rays, rain, bird droppings, and road grime. These substances can cause the paint to fade, oxidize, or develop rust over time.

**Preventing Rust:** Rust prevention sprays and undercarriage treatments protect vulnerable metal parts from moisture and salt, which are especially harmful in winter conditions or coastal areas.

### 2. Maintaining the Interior

**Upholstery Care:** Leather conditioners, fabric cleaners, and protectants help keep seats, carpets, and dashboards in good condition. They prevent cracking, fading, and staining from spills and sun exposure.

**Odor Control:** Air fresheners can eliminate odors and maintain a pleasant interior environment.

### 3. Improving Safety and Visibility

**Clean windows** are crucial for good visibility. Products like anti-fog and rain-repellent sprays enhance visibility during harsh weather conditions.

### 4. Enhancing Engine Performance

**Engine Degreasers:** Keeping the engine clean can improve performance and efficiency. Removing oil and grime buildup ensures that components operate smoothly and reduces the risk of overheating.

**Fuel Additives:** These products clean the fuel system, improve fuel efficiency, and reduce harmful emissions.

5. Regular use of car care products can help maintain a car's resale value. A well-maintained car not only looks better but also functions more reliably, which is attractive to potential buyers.

Investing in the right car care products can save you time, money, and effort by ensuring your vehicle stays in top condition, both visually and mechanically. Proper care also provides a more pleasant driving experience and preserves the value of your vehicle over time.

\*\*\*

**SEGA - Transform Your Car, Transform Your Drive**

## SEGA PRESTIGE AUTO COCKPIT SPRAY

Specially formulated to clean, protect, and refresh your vehicle's interior surfaces. It quickly removes dust, dirt, and stains while restoring the natural shine of plastic, vinyl, and rubber. With its anti-static and UV-protective formula, it helps prevent fading, cracking, and dust buildup keeping your dashboard and panels looking like new.

- Cleans and Shines
- UV Protection
- Anti-Static Formula
- Restores Original Look
- Non-Greasy Finish
- Pleasant Fragrance
- Easy Application

SIZE	CARTON
220 ML	30 PCS

0519-047505 0519-047512 0519-047511 0519-047507 0519-047515 0519-047513

## SEGA DASHBOARD, LEATHER AND TYRE WAX

Specially designed to protect and enhance dashboards, leather seats, and tyre surfaces with one product.

- Restores Shine & Color
- UV Protection
- Water & Dust Repellent
- Nourishes Leather
- Non-Greasy Finish
- Enhances Tyre Appearance

SIZE	CARTON
450 ML	24 PCS

0519-047531 0519-047527 0519-047528 0519-047530 0519-047533

## SEGA JUMBO COCKPIT CLEANER

Generous 750 ml size ensures extended use, making it ideal for frequent cleaning or professional detailing.

- Deep Cleaning Power
- UV Protection
- Anti-Static Formula
- Restores Shine
- Non-Greasy Finish
- Fresh Fragrance
- Multi-Surface Safe
- Economical & Efficient

SIZE	CARTON
750 ML	12 PCS

0519-047640 0519-047641 0519-047642 0519-047643

## SEGA AUTO PROTECTANT SET

Includes high-quality protectant and an application sponge for a smooth, even finish—no extra tools needed.

- Cleans, Shines & Protects
- UV Protection
- Easy, Mess-Free Application
- Non-Greasy Finish
- Anti-Static Effect
- Versatile Use
- Enhanced Value

CODE	SIZE	CARTON
0519-047629	250 ML	12 PCS
0519-047627	250 ML	12 PCS

## SEGA AUTO PROTECTANT SPRAY

The 750 ml bottle provides extended usage—perfect for regular car care or professional detailing needs.

- All-in-One Care Set
- Cleans, Shines & Protects
- UV Shield Technology
- Anti-Static & Dust-Repellent
- Non-Greasy, Dry-Touch Finish
- Safe on Multiple Surfaces
- Refreshing Scent
- Economical & Efficient

CODE	SIZE	CARTON
0519-047627	750 ML & 1LT	12 PCS

## SEGA XPLUS LEATHER CLEANER SPRAY

Effectively lifts dirt, grease, and stains from car leather seats, steering wheels, door panels, and trims.

- Professional-Grade Cleaning
- Preserves Leather Quality
- Prevents Cracking & Fading
- Non-Greasy Finish
- Quick & Easy Application
- Fresh Interior Feel
- Safe for All Automotive Leather
- Ideal for Regular Maintenance

CODE	SIZE	CARTON
0519-048375	750 ML & 1LT	12 PCS

## SEGA XPLUS AUTO GLASS CLEANER SPRAY

Suitable for windshields, windows, mirrors, and infotainment screens. It won't damage tints or coatings. Removes dust, dirt, fingerprints, and smudges for streak-free, spotless glass surfaces.

- Crystal-Clear Visibility
- Fast-Drying Formula
- Safe on All Glass
- Removes Tough Residues
- Anti-Static & Anti-Fog Properties
- Ammonia-Free Formula
- Easy Spray Application
- Essential for Car Maintenance

CODE	SIZE	CARTON
0519-048378	750 ML & 1LT	12 PCS

## SEGA XPLUS TIRE CLEANER SPRAY

Leaves tyres with a clean, glossy finish that enhances the overall look of your vehicle. Effectively removes road grime, brake dust, mud, and stubborn dirt from tyre surfaces.

- Powerful Cleaning Action
- Restores Deep Black Finish
- Fast-Acting Formula
- Protective Shine
- Prevents Drying & Cracking
- No Greasy Residue
- Safe on All Tyres
- Essential for a Complete Clean

CODE	SIZE	CARTON
0519-048370	750 ML & 1LT	12 PCS

## SEGA XPLUS WHEEL CLEANER SPRAY

Effectively dissolves tough brake dust, grime, grease, and road contaminants from wheels and rims. Suitable for alloy, chrome, painted, and steel wheels without causing damage or discoloration.

- Powerful Dirt & Brake Dust Removal
- Restores Shine & Cleanliness
- Safe for All Wheel Types
- Fast-Acting Formula
- Prevents Corrosion & Rust
- Non-Acidic & Gentle
- Essential for Regular Maintenance

CODE	SIZE	CARTON
0519-048372	750 ML & 1LT	12 PCS

# SEGA XPLUS CAR WASH SHAMPOO

Removes dirt, dust, road grime, and light grease without harming your car's paint or finish. Creates thick, luxurious foam that lifts and traps dirt for a scratch-free wash. Suitable for clear coats, metallic, and matte paint finishes.

- Rich Foaming Action
- Protects Paintwork
- Easy Rinse-Off
- pH Balanced Formula
- Fresh, Pleasant Scent

CODE	SIZE	CARTON
0519-048336	500 ML	12 PCS
0519-048337	1 LT	12 PCS
0519-048338	3 LT	4 PCS

# SEGA XPLUS CAR SHAMPOO

## Bulk Size for Frequent Use

Large 20 liters container provides great value and is perfect for professional detailers, car washes, and frequent home use.

- Powerful Cleaning Performance
- Rich, Thick Foam
- Paint-Safe & pH Balanced
- Easy to Rinse
- Enhances Shine
- Eco-Friendly Formula
- Versatile Use

CODE	SIZE	CARTON
0519-048335	20 LT	1 PCS
0519-048340	20 LT	1 PCS

## More Than Coolant—Engine Life Insurance!"

SEGA Radiator Coolant is essential for keeping your engine at the right temperature, preventing it from overheating in hot weather and freezing in the cold. It also contains additives that prevent rust and corrosion, protecting vital engine components and ensuring the cooling system runs efficiently. By maintaining proper coolant levels, you enhance engine performance, extend the life of your vehicle's components, and avoid costly repairs. Regular coolant checks and replacements are crucial for the overall health of your car.

### 1. Regulates Engine Temperature

**Prevents Overheating:** The primary function of radiator coolant is to absorb excess heat produced by the engine and dissipate it through the radiator, preventing overheating. Without coolant, the engine would overheat quickly, causing severe damage or complete engine failure.

**Prevents Freezing:** In cold weather, coolant prevents the engine's liquid from freezing. This is particularly vital for regions with extreme winters, as freezing coolant can cause engine block cracking or damage to other essential components.

### 2. Prevents Corrosion and Rust

Coolant contains additives that inhibit corrosion and rust formation inside the engine and cooling system. Over time, untreated water can corrode the radiator, water pump, and other metal components. Using the correct coolant ensures these parts stay protected.

### 3. Lubricates Moving Parts

Coolant lubricates essential components like the water pump. This lubrication reduces wear and tear, prolonging the life of the water pump and ensuring efficient engine cooling.

\*\*\*

**SEGA - Keeping Your Engine Chill, Mile After Mile.**

## SEGA RADIATOR COOLANT STANDARD

Maintains optimal engine temperature by preventing overheating during operation. Formulated to protect the radiator, water pump, and cooling system components from rust and corrosion. Convenient 1 liter size is perfect for topping up and maintenance.

- Efficient Engine Cooling
- Protects Against Freezing
- Corrosion & Rust Prevention
- Improves Engine Performance
- Long-Lasting Formula
- Prevents Overheating Damage

CODE	SIZE	CARTON
0519-048102	1 LT	12 PCS
0519-048103	1 LT	12 PCS
0519-048104	1 LT	12 PCS

## SEGA RADIATOR COOLANT STANDARD

### With Special Pouring Apparath

Convenient 5 liters container ideal for multiple top-ups or servicing several vehicles. Protects radiator, hoses, and cooling system parts from rust, corrosion, and scale buildup.

- Efficient Engine Temperature Control
- Freezing Protection
- Corrosion & Rust Defense
- Enhances Engine Longevity
- Compatible with Most Vehicles
- Cost-Effective & Practical
- Prevents Overheating Damage

CODE	SIZE	CARTON
0519-048113	5 LT	4 PCS
0519-048114	5 LT	4 PCS
0519-048101	5 LT	4 PCS

## SEGA RADIATOR COOLANT STANDARD

### Bulk Size for Professional Use

Large 20 liters container ideal for workshops, fleets, and frequent maintenance needs.

- Reliable Engine Cooling
- Freeze & Overheat Protection
- Corrosion & Rust Inhibitors
- Extends Cooling System Life
- Wide Vehicle Compatibility
- Cost-Effective & Convenient
- Prevents Costly Repairs

CODE	SIZE	CARTON
0519-048103	20 LT	1 PCS
0519-048104	20 LT	1 PCS

## SEGA ANTI-FREEZE & COOLANT

### 50/50 Prediluted Formulation

Prevents coolant from freezing in cold temperatures, ensuring your engine runs smoothly in winter. Maintains optimal engine temperature by efficiently dissipating heat, reducing the risk of overheating during hot conditions. Suitable for use in a wide range of gasoline and diesel engines, including cars, trucks, and heavy machinery.

- Corrosion and Rust Protection
- Extends Engine Life
- Improves Thermal Efficiency

CODE	SIZE	CARTON
0519-048121	5 LT	4 PCS
0519-048123	5 LT	4 PCS

## SEGA XPLUS ANTIFREEZE CONCENTRATED

Provides reliable protection against freezing and overheating, ensuring your engine runs smoothly in extreme temperatures. Formulated to prevent corrosion and rust, it extends the life of your cooling system while offering flexibility to mix at the desired strength. Ideal for a wide range of vehicles, this high-performance antifreeze safeguards your engine and helps avoid costly repairs.

- Superior Freeze Protection
- Effective Overheat Prevention
- Corrosion & Rust Inhibition
- Concentrated Formula
- Extends Cooling System Life
- Prevents Costly Repairs

0519-048149	18 LT	1 PCS

## SEGA XPLUS RADIATOR FLUSH

Cleans out rust, scale, and sediment buildup inside the radiator and cooling system, improving coolant flow. Ensures the cooling system is clean and free of contaminants before adding fresh antifreeze or coolant.

- Prevents Overheating
- Improves Cooling Efficiency
- Extends Radiator Life
- Prepares System for New Coolant
- Reduces Repair Costs

CODE	SIZE	CARTON

# SEGA WINDSHIELD WASHER FLUID

Quickly removes dirt, grime, bugs, and road film for a crystal-clear windshield. Leaves no streaks or smudges, ensuring safe and clear vision while driving. Ready to use and convenient for topping up your vehicle's washer fluid reservoir.

- All-Weather Performance
- Protects Windshield Wipers
- Safe for All Vehicles

## "Protect, Perform, Prevail"

SEGA Service Fluids are essential for ensuring smooth operation, protecting components from wear and corrosion, and maintaining the safety and efficiency of your vehicle. Such as transmission fluid, brake fluid, and power steering fluid, are essential for maintaining a vehicle's performance, safety, and longevity.

### 1. Transmission Longevity

Transmission Fluid: Keeps the transmission system lubricated, cools internal parts, and ensures smooth gear shifts, preventing damage and prolonging the life of the transmission.

### 2. Safe Braking System

Brake Fluid: Transmits force from the brake pedal to the brakes and resists moisture contamination to maintain effective stopping power, ensuring safe and responsive braking.

### 3. Power Steering Efficiency

Power Steering Fluid: Enables easy and smooth steering by lubricating the system, reducing wear, and ensuring consistent performance of the steering mechanism.

### 4. Fuel System Maintenance

Fuel Additives: Clean fuel injectors, reduce carbon buildup, and improve fuel efficiency and engine performance.

### 5. Corrosion and Wear Prevention

All automotive fluids contain additives that protect metal surfaces from rust and corrosion, reducing the risk of costly repairs and maintaining overall vehicle reliability.

Using the right automotive service fluids and maintaining proper fluid levels is crucial for the safety, efficiency, and longevity of your vehicle. Regular fluid checks and replacements help prevent breakdowns and ensure your car runs smoothly under all driving conditions.

\*\*\*

**SEGA - Engineered to Keep You Moving**

## SEGA DIESEL TREATMENT

Diesel Treatment is specially formulated to clean and protect your engine's fuel system. It improves fuel efficiency, prevents corrosion, and keeps injectors and valves free from harmful deposits. By preventing fuel gelling in cold weather and reducing emissions, it helps your diesel engine run smoother, start easier, and perform at its best all year round.

- Improves Fuel Efficiency
- Cleans Fuel System
- Reduces Emissions
- Prevents Fuel Gelling
- Protects Against Corrosion
- Boosts Engine Power

CODE	SIZE	CARTON
0519-048670	354 ML	24 PCS

## SEGA INJECTOR CLEANER

Designed to remove deposits and buildup from fuel injectors, restoring optimal spray patterns and improving fuel atomization. This leads to smoother engine performance, better fuel efficiency, reduced emissions, and easier starting. Regular use helps maintain engine power and prolongs the life of your fuel system.

- Removes Deposits
- Improves Engine Performance
- Increases Fuel Efficiency
- Reduces Emissions
- Prevents Engine Knock
- Extends Fuel System Life

CODE	SIZE	CARTON
0519-048672	354 ML	24 PCS

## SEGA GASOLINE TREATMENT

Removes deposits from fuel injectors, intake valves, and combustion chambers. Enhances power, acceleration, and smoothness. Helps lower harmful exhaust pollutants.

- Increases Fuel Efficiency
- Prevents Engine Knock
- Protects Against Corrosion

CODE	SIZE	CARTON
0519-048671	354 ML	24 PCS

## SEGA OCTANE BOOSTER

Raises fuel octane to prevent engine knocking and pinging. Ideal for turbocharged, supercharged, and high-compression engines.

- Improves Engine Performance
- Protects Engine
- Enhances Fuel Efficiency
- Reduces Emissions:

CODE	SIZE	CARTON
0519-048674	354 ML	24 PCS

## SEGA FUEL SYSTEM CLEANER

Cleans harmful deposits from fuel injectors, valves, and combustion chambers. Enhances fuel combustion for better mileage. Prevents corrosion and wear on fuel system components.

- Restores Engine Performance
- Increases Fuel Efficiency
- Reduces Emissions
- Prevents Engine Problems
- Protects Fuel System

CODE	SIZE	CARTON
0519-048675	354 ML	24 PCS
0519-048665	473 ML	12 PCS

## SEGA SMOKE STOP

Effectively reduces engine smoke by improving combustion and minimizing oil consumption. It helps lower harmful emissions, enhances fuel efficiency, and protects engine components from carbon buildup, keeping your vehicle running cleaner and longer.

- Reduces Exhaust Smoke
- Improves Engine Efficiency
- Protects Engine Components
- Enhances Fuel Economy
- Lowers Emissions

CODE	SIZE	CARTON
0519-048673	354 ML	24 PCS

## SEGA XPLUS MOTOR FLUSH

Specially formulated to clean sludge, deposits, and contaminants from your engine's internal parts. It helps restore engine cleanliness, improve oil circulation, and enhance overall performance. Using Motor Flush before an oil change ensures a smoother-running engine and prolongs its life.

- Removes Sludge and Deposits
- Improves Oil Flow
- Restores Engine Efficiency
- Prepares Engine for Oil Change
- Extends Engine Life
- Reduces Engine Noise

CODE	SIZE	CARTON
0519-048100	444 ML	24 PCS

## SEGA XPLUS OIL TREATMENT

Helps protect your engine by reducing friction and wear on critical parts. It improves oil performance, prevents rust and corrosion, and can reduce oil consumption. Regular use keeps your engine running smoothly and extends its lifespan.

- Reduces Engine Wear
- Improves Oil Performance
- Restores Engine Power
- Prevents Rust and Corrosion
- Reduces Oil Consumption
- Extends Engine Life

CODE	SIZE	CARTON
0519-048656	444 ML	24 PCS

## SEGA XPLUS BRAKE FLUID DOT 3

### Blue Color Liquid

Provides reliable and consistent hydraulic performance for your braking system. It resists high temperatures, prevents corrosion, and ensures smooth, responsive braking for safer driving. Suitable for most vehicles, it helps maintain brake system efficiency and safety.

- High Temperature Resistance
- Prevents Corrosion
- Ensures Smooth Braking
- Compatible with Most Vehicles
- Improves Safety
- Absorbs Moisture

CODE	SIZE	CARTON
0519-048701	250 ML	24 PCS
0519-048703	350 GR	24 PCS
0519-048702	485 ML	24 PCS

## SEGA XPLUS BRAKE FLUID DOT 4

### Blue Color Liquid

Offers superior performance with a higher boiling point to ensure reliable braking under extreme conditions. It protects the brake system from corrosion, maintains smooth brake response, and helps extend the life of your braking components for safer driving.

- Higher Boiling Point
- Prevents Corrosion
- Consistent Brake Performance
- Compatible with Most Modern Vehicles
- Moisture Absorption
- Enhances Brake System Longevity

CODE	SIZE	CARTON
0519-048704	250 ML	24 PCS
0519-048705	485 ML	24 PCS

## SEGA XPLUS BRAKE FLUID DOT 3

### Amber Color Liquid

Delivers reliable braking performance by maintaining stability under moderate heat and protecting brake system components from corrosion. It ensures smooth and consistent brake response, helping keep your vehicle safe on the road.

- Reliable Heat Resistance
- Protects Against Corrosion
- Smooth Brake Response
- Widely Compatible
- Moisture Management
- Enhances Safety

CODE	SIZE	CARTON

## SEGA XPLUS BRAKE FLUID DOT 4

### Amber Color Liquid

Offers enhanced heat resistance and reliable performance under high temperatures. It protects brake system components from corrosion, ensures smooth and responsive braking, and helps maintain safety and durability for modern vehicles.

- Higher Boiling Point
- Protects Against Corrosion
- Consistent Braking Performance
- Compatible with Modern Vehicles
- Moisture Absorption
- Extends Brake System Life

CODE	SIZE	CARTON

0519-048707	500 ML	24 PCS
0519-048715	1 LT	12 PCS

## SEGA XPLUS MULTI-PURPOSE CLEANER & DEGREASER SPRAY

Effectively removes grease, dirt, and grime from various surfaces. It cleans quickly without damaging materials, making it ideal for use in automotive, industrial, and household applications. This powerful spray helps keep equipment and workspaces spotless and running smoothly.

- Powerful Cleaning
- Versatile Use
- Non-Damaging
- Fast Acting
- Removes Residue
- Improves Equipment Life

CODE	SIZE	CARTON
0519-048507	750 ML	12 PCS
0519-048508	1 LTT	12 PCS

## SEGA XPLUS ENGINE CLEANING LIQUID

Effectively cleans oil, grease, and dirt buildup from engine surfaces. Protects engine parts from rust and corrosion. Suitable for gasoline and diesel engines without causing damage.

- Removes Dirt and Grime
- Improves Engine Efficiency
- Prevents Corrosion
- Safe for All Engines
- Enhances Engine Appearance

CODE	SIZE	CARTON
0519-048509	1 LT	12 PCS
0519-048510	5 LT	4 PCS
0519-048511	18 LT	1 PCS

## "From Start to Finish, We've Got You Covered"

We are proud to be a trusted manufacturer and global exporter of high-performance lubricants and additives, designed to meet the evolving demands of the automotive, industrial, and heavy-duty machinery sectors. Our extensive product portfolio includes engine oils, gear oils, hydraulic fluids, transmission oils, grease, and a wide range of fuel and oil additives—each developed with advanced formulations and tested under rigorous conditions to ensure maximum efficiency, protection, and performance.

We combine cutting-edge technology with high-quality raw materials to produce lubricants that not only reduce friction and wear but also contribute to fuel economy, emission control, and the extended lifespan of engines and mechanical systems. Our additives are engineered to enhance the properties of fuels and base oils, offering improved cleaning, anti-corrosion, and anti-oxidation capabilities.

With a commitment to international standards and continuous innovation, we tailor our solutions to different climate conditions, operating environments. We also provide custom formulations to meet the specific technical needs of our partners in various global markets.

Backed by a team of experienced engineers, strict quality control systems, and reliable logistics support, we strive to deliver consistent product performance and build long-term partnerships with our clients worldwide. At SEGA, we don't just supply lubricants—we deliver trust, reliability, and advanced protection for your engines and equipment.

\*\*\*

**SEGA - Advanced Lubrication. Extended Life**

## SEGA XPLUS ENGINE OIL SAE 50

High-performance, single-grade lubricant designed for older engines and heavy-duty applications. It provides excellent protection against wear, reduces friction, and maintains engine cleanliness under high temperatures. Ideal for use in hot climates and commercial vehicles, it ensures smooth operation and extended engine life.

- High Temperature Stability
- Reduces Wear and Friction
- Maintains Engine Cleanliness
- Ideal for Older Engines
- Minimizes Oil Consumption
- Improves Performance

## SEGA XPLUS ENGINE OIL SAE 5W20

High-performance, multi-grade synthetic or semi-synthetic oil designed for modern gasoline engines. It offers excellent cold-start protection, reduces engine wear, and enhances fuel efficiency. Ideal for newer vehicles, this oil ensures smooth engine performance, even in low temperatures, while maintaining optimal lubrication at high temperatures.

- Excellent Cold-Start Protection
- Improves Fuel Economy
- Reduces Engine Wear
- Keeps Engine Clean
- Thermal Stability
- Ideal for Modern Engines

## SEGA XPLUS ENGINE OIL SAE 5W30

Premium multi-grade oil designed for modern gasoline and diesel engines. It offers excellent wear protection, fuel efficiency, and performance in both cold and high-temperature conditions. Ideal for year-round use, it helps extend engine life by keeping internal components clean and well-lubricated.

- Superior Wear Protection
- Excellent Cold Start Performance
- Fuel Efficient
- High-Temperature Stability
- Keeps Engine Clean
- Compatible with Modern Engines

## SEGA XPLUS ENGINE OIL SAE 5W40

High-performance full synthetic oil designed for both gasoline and diesel engines, including turbocharged and high-performance vehicles. It provides excellent protection in extreme temperatures, ensures smooth cold starts, and maintains engine cleanliness for long-lasting performance and durability.

- Full Synthetic Protection
- Excellent Cold Start Performance
- High-Temperature Stability
- Reduces Engine Wear
- Keeps Engine Clean
- Ideal for High-Performance Engines

## SEGA XPLUS ENGINE OIL SAE 10W30

Versatile multi-grade oil designed to deliver reliable performance in a wide range of temperatures. It provides strong protection against wear, reduces engine deposits, and ensures smooth operation for both gasoline and light-duty diesel engines. Ideal for daily driving and light commercial use, it helps extend engine life and maintain fuel efficiency.

- Improved Fuel Efficiency
- Excellent Wear Protection
- Good Cold Start Performance
- Keeps Engine Clean
- Versatile Use
- Thermal Stability

## SEGA XPLUS ENGINE OIL SAE 10W40

High-quality multi-grade oil designed for both gasoline and diesel engines. It offers excellent protection against wear, enhances engine cleanliness, and provides stable viscosity for smooth performance in both hot and cold conditions. Ideal for older engines, high-mileage vehicles, and moderate to heavy-duty use, it ensures long-lasting engine life and reliable operation.

- Enhanced Wear Protection
- Stable Viscosity
- Reduces Oil Consumption
- Keeps Engine Clean
- Versatile Performance
- Improves Engine Performance

## SEGA XPLUS ENGINE OIL SAE 15W40

Heavy-duty multi-grade oil designed for both diesel and gasoline engines. It provides excellent protection against wear, sludge, and oxidation, making it ideal for commercial vehicles, trucks, and off-road equipment. With stable viscosity and high thermal resistance, it ensures reliable performance in demanding conditions and helps extend engine life.

- Heavy-Duty Wear Protection
- Thermal and Oxidation Stability
- Reduces Sludge and Deposits
- Ideal for Diesel and Gasoline Engines
- Consistent Viscosity
- Extended Drain Intervals

## SEGA XPLUS ENGINE OIL SAE 20W50

High-viscosity, multi-grade oil specially formulated for older engines, high-mileage vehicles, and heavy-duty applications. It provides a strong protective film, reduces oil consumption, and delivers excellent wear protection in hot climates and extreme driving conditions. Ideal for engines that require thicker lubrication, it helps maintain performance and prolong engine life.

- Thicker Oil Film
- Reduces Oil Consumption
- Excellent Wear Protection
- Thermal Stability
- Cleans and Protects
- Versatile Use

## SEGA XPLUS GEAR OIL EP 90

High-performance extreme pressure (EP) gear lubricant designed for manual transmissions, differentials, and other gear systems operating under heavy loads. It provides excellent protection against wear, rust, and corrosion, while ensuring smooth gear shifting and long-lasting performance, even in high-stress conditions.

- Extreme Pressure Protection
- Reduces Wear and Friction
- Thermal Stability
- Corrosion and Rust Resistant
- Smooth Operation
- Suitable for Heavy-Duty Use

## SEGA XPLUS GEAR OIL EP 140

Heavy-duty, extreme pressure lubricant designed for use in manual transmissions, differentials, and gearboxes operating under severe conditions. It provides superior protection against wear, corrosion, and overheating, ensuring reliable performance and extending the life of gear components even under heavy loads and high temperatures.

- Extreme Pressure Protection
- High Viscosity
- Prevents Wear and Tear
- Corrosion and Rust Protection
- Thermal Stability
- Reduces Noise

## SEGA XPLUS GEAR OIL SAE 75W90

Premium synthetic lubricant designed for manual transmissions, differentials, and transfer cases. It provides excellent protection against wear, corrosion, and extreme pressure, ensuring smooth gear operation across a wide temperature range. Ideal for both high-performance and everyday vehicles, it helps extend the life of your drivetrain components.

- Wide Temperature Range
- Extreme Pressure Protection
- Reduces Wear and Friction
- Corrosion and Rust Prevention
- Improves Fuel Efficiency
- Smooth Gear Shifting

## SEGA XPLUS ATF TYPE T-IV

T-IV is high-quality automatic transmission fluid specially formulated for use in vehicles requiring Toyota Type T-IV specifications. It provides excellent friction stability, oxidation resistance, and wear protection, ensuring smooth shifting, enhanced transmission performance, and extended fluid life. Ideal for Toyota and Lexus automatic transmissions, it helps maintain optimal operation and reliability.

- Superior Friction Stability
- Excellent Wear Protection
- Oxidation and Thermal Stability
- Corrosion Resistance
- Improves Transmission Efficiency
- Extended Fluid Life

CODE	SIZE	CARTON
0519-048952	1 LT	12 PCS

## SEGA XPLUS ATF DEXRON II

Dexron II is a reliable automatic transmission fluid formulated to meet the performance requirements of older General Motors transmissions and many other automatic gearboxes. It provides excellent oxidation resistance, wear protection, and friction stability, ensuring smooth shifting and long transmission life. Suitable for a wide range of vehicles, it helps maintain efficient and dependable transmission operation.

- Smooth Gear Shifting
- Wear Protection
- Oxidation Stability
- Corrosion Resistance
- Wide Compatibility
- Improves Transmission Efficiency

CODE	SIZE	CARTON
0519-048950	1 LT	12 PCS

## SEGA XPLUS ATF DEXRON III

Dexron III is a high-performance automatic transmission fluid designed to meet the demands of a wide range of automatic transmissions. It offers excellent oxidation stability, wear protection, and friction control for smooth shifting and long transmission life. Compatible with many older and some newer vehicles, it helps maintain efficient transmission operation and reliability.

- Smooth and Responsive Shifting
- Superior Wear Protection
- Oxidation and Thermal Stability
- Corrosion Prevention
- Wide Vehicle Compatibility
- Enhances Transmission Efficiency

CODE	SIZE	CARTON
0519-048951	1 LT	12 PCS

## SEGA XPLUS ATF TYPE A

Type A is a traditional automatic transmission fluid formulated to meet the performance needs of older automatic transmissions. It provides reliable lubrication, smooth shifting, and basic wear protection, helping to maintain transmission efficiency and extend component life. Ideal for classic and older vehicles requiring Type A specification.

- Smooth Gear Shifting
- Basic Wear Protection
- Good Lubrication
- Compatible with Older Vehicles
- Maintains Transmission Performance

CODE	SIZE	CARTON
0519-048953	1 LT	12 PCS
0519-048956	1 LT	12 PCS

## SEGA XPLUS POWER STEERING FLUID

Specially formulated to provide smooth and responsive steering performance. It lubricates and protects the power steering system's pump, valves, and hoses, reducing wear and preventing leaks. With excellent thermal stability and anti-foaming properties, it ensures reliable operation and helps extend the life of your steering components.

- Smooth and Easy Steering
- Protects Components
- Prevents Leaks
- Thermal Stability
- Anti-Foaming
- Extends System Life

CODE	SIZE	CARTON
0519-048955	1 QUART	12 PCS

## SEGA XPLUS TORCH COOLANT

High-performance cooling liquid designed to protect engines from overheating and freezing. It efficiently dissipates heat, prevents corrosion and scale buildup, and ensures optimal engine temperature regulation. Suitable for a wide range of vehicles and machinery, Torch Coolant helps maintain engine performance and extends component life.

- Prevents Overheating
- Protects Against Freezing
- Corrosion and Scale Prevention
- Extends Engine Life
- Compatible with Various Engines
- Improves Cooling System Efficiency

CODE	SIZE	CARTON
0519-048106	5 LT	4 PCS

## SEGA XPLUS CALCIUM GREASE

Versatile lubricant known for its excellent water resistance and corrosion protection. Ideal for automotive, industrial, and marine applications, it provides long-lasting lubrication to bearings, joints, and moving parts. Its thick consistency ensures staying power even in wet or humid conditions, helping to reduce wear and extend equipment life.

- Excellent Water Resistance
- Corrosion Protection.
- Long-Lasting Lubrication
- Versatile Use
- Reduces Wear and Friction
- Good Adhesion

CODE	SIZE	CARTON
0519-048964	15 KG	1 PCS

## SEGA XPLUS LITHIUM GREASE

High-performance, multi-purpose lubricant known for its excellent mechanical stability and water resistance. It provides superior protection against wear, corrosion, and oxidation, making it ideal for automotive, industrial, and heavy-duty applications. Its smooth texture ensures easy application while maintaining long-lasting lubrication even under high pressure and temperature.

- Excellent Mechanical Stability
- Water Resistant
- Superior Wear Protection
- Corrosion and Oxidation Resistant
- Versatile Applications
- Easy to Apply

CODE	SIZE	CARTON
0519-048967	15 KG	1 PCS

## SEGA XPLUS RUBBER GREASE

Specialized lubricant designed to protect and extend the life of rubber and plastic components. It prevents drying, cracking, and sticking by providing a smooth, non-reactive coating. Ideal for use on seals, gaskets, O-rings, and other rubber parts, it helps maintain flexibility and ensures proper function in automotive, industrial, and household applications.

- Protects Rubber Parts
- Non-Reactive Formula
- Enhances Flexibility
- Prevents Sticking
- Water Resistant
- Extends Component Life

CODE	SIZE	CARTON
0519-048970	15 KG	1 PCS

## SEGA XPLUS CUTTING OIL

Specialized lubricant designed to improve metalworking processes such as cutting, drilling, and machining. It reduces friction and heat generation, extending tool life and enhancing surface finish quality. Suitable for various metals, cutting oil helps increase efficiency and precision while protecting both tools and workpieces.

- Reduces Friction and Heat
- Extends Tool Life
- Improves Surface Finish
- Prevents Rust and Corrosion
- Enhances Machining Efficiency
- Versatile Use

CODE	SIZE	CARTON
0519-048918	18 LT	1 PCS

## SEGA XPLUS DIESEL EXHAUST FLUID

High-purity urea solution designed to reduce harmful nitrogen oxide (NOx) emissions from diesel engines. Used in Selective Catalytic Reduction (SCR) systems, DEF helps vehicles meet stringent environmental regulations by converting NOx into harmless nitrogen and water vapor. It promotes cleaner air, improves engine efficiency, and extends the life of emission control systems.

- Reduces Harmful Emissions
- Helps Meet Environmental Standards
- Improves Fuel Efficiency
- Protects Emission Systems
- Non-Toxic and Safe
- Extends Engine and System Life

## "Lubricate, Protect, Perfect!"

Technical sprays are specialized sprays used in various industrial, automotive, electrical, and mechanical fields to maintain, clean, lubricate, and protect equipment. Their importance lies in enhancing efficiency, ensuring longevity, and promoting safety in many applications.

1. **Lubrication**; like lubricants reduce friction in moving parts, minimizing wear and tear. Lubricating sprays prevent overheating, reduce energy consumption, and ensure optimal performance.
2. **Cleaning and Degreasing**; crucial for removing grease, dirt, and other contaminants that could affect equipment functionality. Dust and dirt buildup can cause overheating, short circuits, or mechanical failures; cleaning sprays mitigate this risk.
3. **Protection Against Corrosion**; provide a protective layer, which is essential for parts exposed to moisture, chemicals, or harsh conditions, preventing rust and corrosion. Regular application of anti-corrosion sprays extends the life of equipment and reduces the need for replacements.
4. **Electrical Insulation**; provide a protective coating on electrical connections, reducing the risk of short circuits. By insulating electrical components, technical sprays help prevent accidental electrical discharges, protecting users and equipment.
5. **Easy Application and Targeted Use**; can be applied to hard-to-reach areas with precision. They offer a quick and efficient way to perform maintenance tasks compared to traditional methods.

\*\*\*

**SEGA XPLUS - Don't Just Clean – Protect and Perfect.**

## SEGA XPLUS SG-40 ANTI RUST SPRAY

Specially formulated to protect metal surfaces from rust and corrosion caused by moisture, salt, and environmental exposure. It creates a long-lasting protective layer that seals out water and prevents oxidation, extending the life of tools, machinery, car parts, and metal structures.

- Prevents rust and corrosion
- Extends the lifespan of metal parts
- Displaces moisture and protects against humidity
- Easy to apply and fast-drying
- Ideal for automotive, industrial, and household use

CODE	SIZE	CARTON
0519-048805	150 ML	24 PCS
0519-048804	450 ML	24 PCS

## SEGA XPLUS SG-120 LUBRICANT SPRAY

Designed to reduce friction, eliminate squeaks, and ensure smooth operation of moving parts. It penetrates quickly into tight spaces, loosens stuck mechanisms, and forms a protective barrier against rust, wear, and moisture. Suitable for use on hinges, chains, gears, tools, and automotive components.

- Reduces friction and wear
- Eliminates squeaks and sticking
- Protects against rust and corrosion
- Penetrates and loosens jammed parts
- Suitable for metal, plastic, and rubber surfaces

CODE	SIZE	CARTON
0519-048803	450 ML	24 PCS

## SEGA FIX SPRAY PAINT

ALL PURPOSE FAST DRY  
INTERIOR - EXTERIOR

Dries rapidly and provides even color distribution without brush marks. Ideal for use on metal, wood, plastic, and more, it's perfect for DIY projects, touch-ups, and decorative purposes.

- Easy and fast application
- Smooth, streak-free finish
- Quick-drying formula
- Suitable for various surfaces
- Available in multiple colors and finishes (glossy, matte, metallic)

CODE	SIZE	CARTON
0519-048400	400 ML	24 PCS

## SEGA XPLUS PAINT REMOVER SPRAY

Paint remover quickly dissolves old paint, varnish, and coatings from metal, wood, and other surfaces without damaging them.

- Fast and effective paint removal
- Works on multiple layers
- Safe for various surfaces
- Easy to apply and clean

CODE	SIZE	CARTON
0519-048500	283 GR	24 PCS

## SEGA XPLUS CONTACT CLEANER SPRAY

Specially formulated to clean and protect electrical contacts, switches, and connectors. The fast-drying, non-conductive formula leaves no residue, ensuring safe and efficient performance in electronic and electrical systems.

- Removes dirt, oil, and oxidation
- Improves electrical conductivity
- Fast-drying and residue-free
- Safe for plastic, rubber, and metal parts
- Ideal for switches, circuit boards, relays, and connectors

CODE	SIZE	CARTON
0519-048130	200 ML	24 PCS

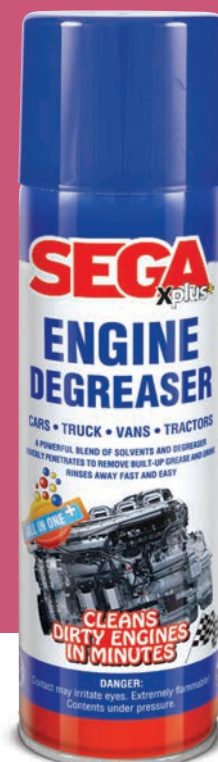

## SEGA XPLUS ENGINE DEGREASER SPRAY

Specially designed to break down and remove tough grease, oil, and grime from engines and mechanical parts. Its high-performance formula penetrates deeply, lifting away buildup to leave the surface clean and ready for inspection or maintenance.

- Removes heavy grease and oil
- Restores engine appearance
- Improves engine cooling by clearing buildup
- Fast-acting and easy to rinse off
- Safe for various engine materials

CODE	SIZE	CARTON
0519-048205	500 ML	24 PCS

## SEGA XPLUS BRAKE & PARTS CLEANER SPRAY

Specially formulated to remove brake dust, oil, grease, and grime from brake components and metal parts. It quickly evaporates without leaving residue, ensuring optimal brake performance and reducing squeaks. Ideal for discs, drums, calipers, and other mechanical parts.

- Cleans brake and metal parts instantly
- Removes oil, grease, and dirt
- Dries quickly without residue
- Improves braking efficiency and safety

CODE	SIZE	CARTON
0519-048190	500 ML	24 PCS

## SEGA XPLUS CARB. & CHOKE CLEANER SPRAY

It quickly removes deposits from the inside and outside of the carburetor to improve engine performance and fuel economy. Over time, carburetors and choke valves can become clogged with gum, varnish, and dirt, affecting performance. Segal Xplus Carb and Choke Cleaner cleans carburetors, linkage, choke valves, and unpainted metal parts to improve performance and reduce emissions.

- Helps overcome hard starting, rough idling, stalling, and high exhaust emissions.
- Quickly removes deposits from the inside and outside of the carburetor to improve engine performance and fuel economy.
- Cleans gum, varnish, and dirt from clogged carburetors and choke valves.
- Effectively cleans unpainted metal parts and is quick drying.

CODE	SIZE	CARTON
0519-048132	450 ML	24 PCS

## "Building Dreams, One Seal at a Time"

In a bustling city where new skyscrapers touch the sky and charming homes dot the landscape, the secret to a building's longevity isn't always found in the grandeur of its design. Often, it lies in the smallest details, the ones that quietly protect and preserve the integrity of our structures. Enter "Sealants," the unsung hero of construction.

Imagine a construction site where teams of workers are meticulously putting together a new high-rise. The beams are strong, the glass is sleek, and the design is breathtaking. But the real magic happens in the final touches—the application of All type of Sealants.

As the sun sets over the city, a skilled contractor applies SEGA FIX along the joints and seams of the building's facade. This isn't just a routine task; it's a crucial step in ensuring that the skyscraper stands tall and resilient against the elements for years to come. The silicone sealant smoothly fills every gap, creating an impenetrable barrier that keeps out moisture, air, and even the smallest pests.

But SEGA FIX is more than just a protector. It's also a contributor to the building's energy efficiency, helping to keep heating and cooling costs down. Each application is like a promise—an assurance that the building will remain a safe and comfortable haven for its future occupants.

It's in every corner of every building, making sure that dreams are built to last.

SEGA FIX SEALANTS : Building the future with every seal.

\*\*\*

**SEGA FIX — *for the strength, efficiency, and peace of mind that every structure deserves.***

## SEGA FIX 9000 ACRYLIC SEALANT

Ideal for sealing joints, gaps, and cracks in walls, windows, doors, and ceilings. It provides a smooth, flexible finish that can be painted over after drying, making it perfect for interior and exterior use.

- Seals gaps and joints effectively
- Flexible and crack-resistant
- Paintable after curing
- Low odor and easy to apply
- Suitable for indoor and outdoor use

CODE	SIZE	CARTON
0519-048617	500 GR	24 PCS

## SEGA FIX 9900 UNIVERSAL SILICONE SEALANT

Provides a strong, flexible, and waterproof seal for a wide range of surfaces including glass, metal, ceramics, and plastics. It's ideal for bathrooms, kitchens, windows, and outdoor applications. Resistant to weather, mold, and UV rays, it ensures long-lasting protection and flexibility without cracking or shrinking.

- Creates a waterproof, airtight seal
- Highly flexible and durable
- Adheres to many surfaces
- Suitable for indoor and outdoor use

CODE	SIZE	CARTON
0519-048629	280 ML	24 PCS

## SEGA FIX 9500 PU SEALANT SHORA 50

Premium-grade polyurethane sealant designed for demanding construction and industrial sealing applications. It delivers excellent adhesion, flexibility, and resistance to weathering, chemicals, and mechanical stress. Perfect for sealing expansion joints, concrete cracks, and structural gaps where durability and strong performance are essential.

- Superior adhesion to concrete, metal, and wood
- High elasticity to accommodate joint movement
- Resistant to UV, water, and harsh chemicals
- Provides a durable, waterproof seal
- Ideal for industrial and heavy-duty construction use

CODE	SIZE	CARTON
0519-048626	280 ML	24 PCS

## SEGA FIX 1200 HIGH TEMPERATURE RTV SEALANT

Silicone-based product designed to cure at room temperature, forming a flexible, durable, and heat-resistant seal. It is ideal for automotive, industrial, and electrical applications, sealing engines, gaskets, and metal joints exposed to high temperatures and vibrations.

- Cures at room temperature without baking
- Resistant to high heat and chemicals
- Flexible and durable seal
- Excellent adhesion to metal, glass, and plastics

CODE	SIZE	CARTON
0519-048615	280 ML	24 PCS

## SEGA FIX HIGH TACK SEALANT

Specially formulated to provide an immediate, strong adhesive grip on various surfaces, preventing slippage or movement during installation. It forms a flexible, durable seal ideal for construction, glazing, and bonding applications where quick tack and long-lasting performance are essential.

- Provides strong initial adhesion
- Prevents surface slippage
- Flexible and durable seal
- Suitable for a wide range of materials
- Ideal for indoor and outdoor use

CODE	SIZE	CARTON
0519-048614	290 ML	24 PCS

# SEGA FIX GASKET MAKER

High-performance silicone-based sealant designed to create strong, flexible gaskets on engine components, pumps, and machinery. It fills gaps and prevents leaks of oil, coolant, and other fluids, eliminating the need for pre-cut gaskets. It cures to a durable, heat-resistant seal that withstands vibration and pressure.

- Creates a custom, flexible gasket
- Prevents oil, coolant, and fluid leaks
- Resistant to heat, pressure, and vibration
- Easy to apply and cures quickly
- Ideal for automotive and industrial use

## RED TYPE

### HIGH TEMPERATURE

Makes gaskets for high temperature applications up to 650° F (343°C); safe for oxygen sensor equipped vehicles. Excellent heat control and torque retention for overhead cam and timing chain covers. Dries tough, flexible and improves high temperature performance. Resists most engine fluids.

## STANDARD TYPE

Replaces most cut gaskets. Forms to any shape instantly; cures fast. Resist cracking, shrinking and migration caused by thermal cycling. Also seals timing chain covers and differential covers. Dries tough yet flexible. Works up to 500°F (260°C). Resist oil, water, antifreeze and transmission fluid.

## "The Unsung Hero of Every Great Build"

In the heart of a city undergoing a transformation, where towering skyscrapers and bustling construction sites shape the skyline, there lies an unsung hero that quietly plays a pivotal role in every successful project. That hero? "SEGA FIX PU Foam".

Imagine a new high-rise rising majestically from the ground. The architects have designed a marvel of modern engineering, the builders are working tirelessly, and every detail is being meticulously crafted. But as the structure begins to take shape, the real magic starts with the application of SEGA FIX PU Foam.

As dawn breaks, a construction team embarks on a crucial task: sealing gaps and insulating the building's framework. Armed with SEGA FIX PU Foam, they work with precision, filling every crevice and cavity with this incredible material. With a simple application, SEGA FIX expands and cures, creating a seamless barrier that offers superior thermal and acoustic insulation.

Why is SEGA FIX PU Foam so remarkable?

1. **Superior Insulation:** It offers excellent thermal insulation, keeping buildings warm in winter and cool in summer. This not only enhances comfort but also contributes to energy efficiency, reducing heating and cooling costs.
2. **Seamless Sealing:** It fills gaps and cracks effectively, creating a tight seal that prevents air and water leaks. This ensures that the building remains protected against moisture, drafts, and unwanted pests.
3. **Easy Application:** The foam is easy to apply and expands to fill the intended space, saving time and reducing labor costs. Its versatility makes it ideal for various applications, from windows and doors to wall cavities and roof joints.
4. **Strong Bonding:** It adheres firmly to a variety of surfaces, including wood, metal, and concrete. This strong bond ensures that the sealed areas remain intact and effective for years to come.
5. **Long-Lasting Performance:** Once cured, SEGA FIX PU Foam maintains its shape and insulation properties over time. It withstands environmental stresses and remains effective throughout the life of the building.

SEGA FIX PU Foam: The silent partner in every great construction.

\*\*\*

**SEGA FIX — where innovation meets reliability in every application.**

## SEGA FIX 9900 MULTI-PURPOSE PU FOAM

Fast-expanding, high-adhesion foam used for filling gaps, sealing cracks, and insulating cavities in construction and DIY projects. It provides excellent thermal and sound insulation, adheres to most building materials, and cures into a durable, lightweight foam that can be trimmed and painted.

- Fills and seals gaps, cracks, and cavities
- Provides thermal and acoustic insulation
- Expands to fill irregular spaces
- Adheres well to wood, metal, concrete, and more
- Easy to cut, shape, and paint after curing

CODE	SIZE	CARTON

## SEGA FIX 9900 ADHESIVE MONTAGE FOAM

Versatile polyurethane foam that combines excellent adhesive properties with insulation. It's designed for mounting, bonding, and sealing applications in construction and repair work. This foam provides a strong, durable bond while filling gaps and insulating against heat, cold, and noise.

- Strong adhesive bonding on various surfaces
- Fills and seals gaps for insulation
- Expands to fit irregular spaces
- Durable, lightweight, and easy to work with
- Ideal for mounting panels, insulation boards, and more

## "The Bond That Builds Dreams"

In the vibrant world of construction, where every beam, brick, and tile plays a crucial role, there's an invisible force that binds it all together. It's not the steel or concrete that's the unsung hero, but the glue that holds it all in place— "SEGA FIX Adhesives."

Picture a sprawling construction site at sunrise, where a new landmark is taking shape. The architects' visions are coming to life, the builders are hard at work, and the materials are being meticulously placed. Amidst this orchestrated chaos, SEGA FIX Adhesives are being applied, ensuring that every element sticks firmly and reliably.

As the day progresses, watch as SEGA FIX Adhesives work their magic. On the façade of a towering skyscraper, the adhesive ensures that each panel aligns perfectly and stays securely in place, providing not just structural integrity but also a sleek, modern appearance. With SEGA FIX, the challenge of holding large panels and intricate designs together is handled with ease and precision.

SEGA FIX Adhesives: The unseen strength that makes every structure extraordinary.

\*\*\*

**SEGA FIX — where every bond is a promise of quality and durability.**

## SEGA FIX 9900 MULTI-PURPOSE FAST ADHESIVE SET 3IN1

This 3in1 adhesive set includes fast-acting glues designed for bonding a variety of materials such as plastic, metal, wood, and rubber. It offers quick drying times, strong adhesion, and flexibility, making it perfect for repairs, DIY projects, and professional use.

- Bonds multiple surfaces effectively
- Fast drying for quick results

## "Cook, Camp, and Conquer with Butane."

Sega Xplus Camping products are essential for outdoor and portable cooking, heating, and lighting, offering a reliable and efficient energy source for various activities. Butane canisters and stoves are lightweight, compact, and easy to use, making them ideal for camping, picnics, or emergency preparedness. One of the main advantages of butane gas is its clean-burning quality, which minimizes soot and odor while providing a steady, adjustable flame that allows for precise cooking and heating. Additionally, butane products are highly portable, making it convenient to transport and use them in remote or off-grid locations. Overall, butane gas products enhance flexibility and convenience, allowing users to enjoy outdoor experiences with the comfort and ease of a reliable fuel source.
